

ABOUT US:  
our history

Accomplished Chef and General Manager James Martin opened **85 main** in 2005 along with brothers & co-owners Barry and Brian Jessurun of the Vanilla Bean Café in Pomfret, CT. **85 main** was created with the goal of offering eclectic American Fusion cuisine in an atmosphere one might expect to find in a “big” city. **The emphasis is on freshness of ingredients and cooked-to-order menu items.** The interior of the building is completely remodeled, creating a warm, contemporary dining environment. Save on GA\$! **85 main** offers a local quality dining experience without travelling to Providence, Worcester or Hartford.
